

A photograph of a woman and a young girl looking at a tablet together. The woman is smiling and looking at the screen, while the girl is also looking at the screen with a focused expression. The image is dimmed and serves as a background for the title text.

DIGITAL PARENTING

PRESENTED BY EVELYN KASINA

QUESTION

Are you digitally distracted?

How do you safeguard your children's
digital well being?

Are you and your family safe online?

THE DIGITAL AGE IS POSING NEW CHALLENGES TO PARENTS

"To adults it looks like a brave new world but to kids it's "just life". Welcome to their world."

PARENTAL CHALLENGES

Mental Health

Video, Audio and Text Content

News and Media Literacy

Technology Addiction and Screen time

Cyber Bullying

Privacy and Internet Safety

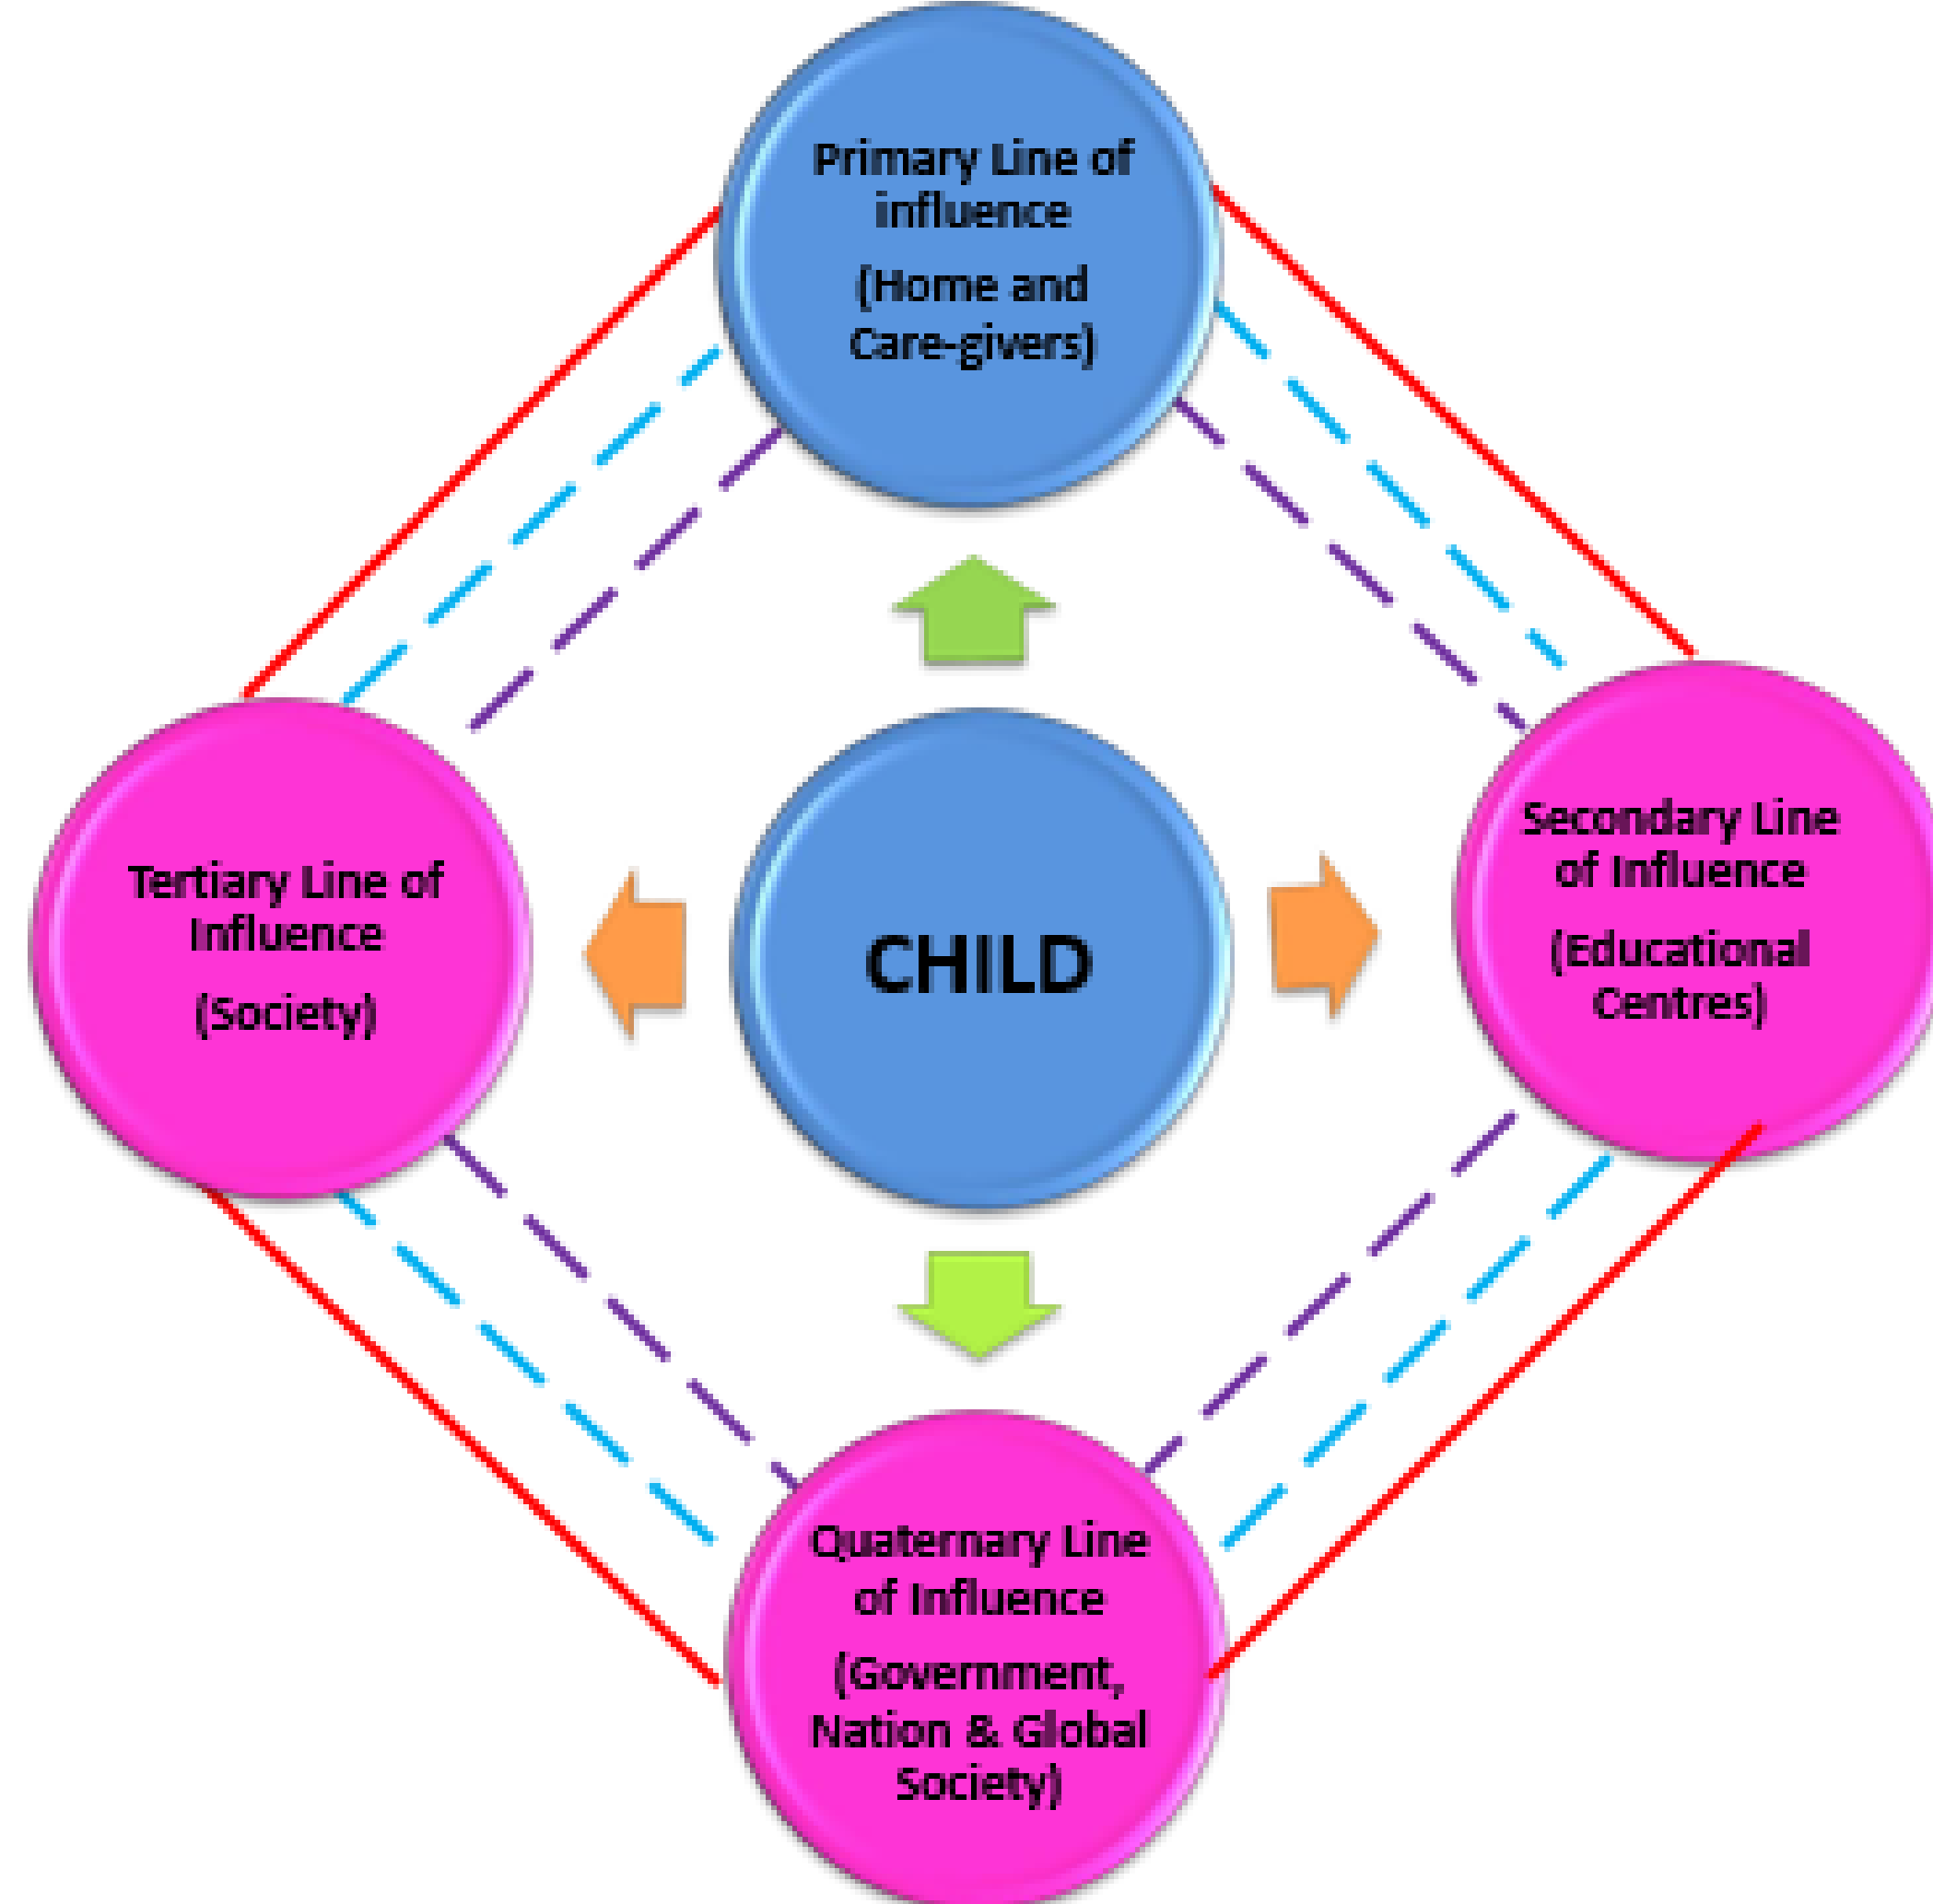

Values

Social Media

Sex, gender and role models

Alcohol & Drugs

Marketing to children

LEAD BY EXAMPLE

Learning starts at home.

Parents must possess the knowledge and commitment to manage their child's digital activities.

This means being aware and moderating the duration, content and quality of the child's digital involvement.

TECH IS HIJACKING OUR MIND & SOCIETY

The world is experiencing digital attention crisis.

What began as a race to monetize our attention is now eroding the pillars of our society: mental health, democracy, social relationships, and our children.

10 APPS TEENS ARE USING THAT PARENTS NEED TO KNOW

Calculator%
This app looks like a calculator but functions like a secret photo vault.

Hot or Not
Strangers rate your profile. Goal is to lead to a hook up.

Omegle
A free online chat website that promotes chatting anonymously to strangers.

Burn Book
Post anonymous rumors about people through audio messages, texts, and photos.

Yellow
This app is designed to allow teens to flirt with each other in a Tinder-like atmosphere.

Wishbone
An app that allows users to compare kids against each other and rate them on a scale.

Whisper
An anonymous app where the creators promote sharing secrets and meeting new people.

Kik
Messaging app. Kik has built in apps and web content that would be filtered on home computer.

Ask.fm
Ask an anonymous question and get an answer. This app has been linked to the most severe forms of cyberbullying.

Instagram
Many kids are now creating fake accounts to hide content from parents. Kids also like to text using Instagram because messages are deleted once a user leaves conversation.

GOD OF WAR (2018)

GAME REVIEW

For the last 13 years and seven video games, an incredibly chiseled and powerful Spartan named Kratos has been seeking revenge for the death of his beloved wife and daughter. Along the way, he's grown from being a mere muscle-man to a Greek mini-god—all the while hacking and slashing his way through a pantheon of Olympian deities and all manner of

The background of the top half of the slide is a grayscale photograph of a desk. It features a wooden desk surface, a metal ruler, and a white pen with a silver clip. The text is overlaid on this image.

EMPOWERING PARENTS TO BE 'E-LITERATE'

The success of digital parenting hinges on:
Awareness, the tools available, Safe and efficient
use of technology and parents commitment to be
digital role models.

Remember children imitate better than they listen.
